STEAM PROGRAMMING FOR ALL!

AFTER-SCHOOL PROGRAMS | SUMMER CAMPS | WORKSHOPS | PROFESSIONAL DEVELOPMENT

join the
HOTE 1K
STEAM LEARNING FOR ALL
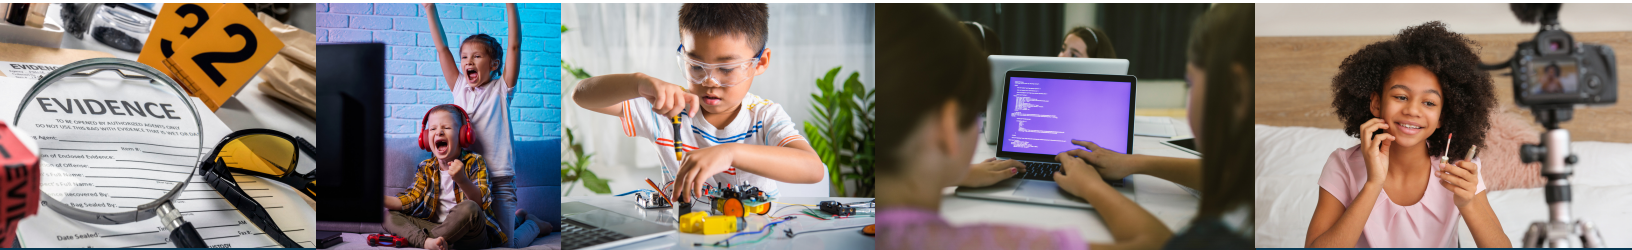

Hands-On Technology

HOTE 1K is our newest, community empowering initiative that will provide cutting-edge STEAM programs to California with a goal of **impacting 1,000 students!**

Youth Organizations, Community Partners & Educational Programs will have the opportunity to give their students access to a variety of Tech Adventure workshops *at no cost to them*, unlocking an arsenal of STEAM education opportunities.

Rolling Application Deadlines Per Academic Year:
- Priority Application Deadline for Winter '24: 11/30/23
- General Application Deadline for Winter '24: 12/21/23

HOW TO APPLY

Visit *handsontecheducation.com/hote1k*

Fill out a short, online application summarizing your youth group & program interest

Upon acceptance, HOTE will provide Turn-Key Solutions: Supplies, Staff, Curriculum, Location (If needed)

REQUIREMENTS

Requests must be for K-12 programs in the realm of after-school programs, summer camps, workshops, or professional development

Choose 2 sessions from our Tech Adventure Themes (cost-free to youth provider, see next page for details)

Must be a Educational Program, Youth Group or Educational Partner that serves at least 20 students
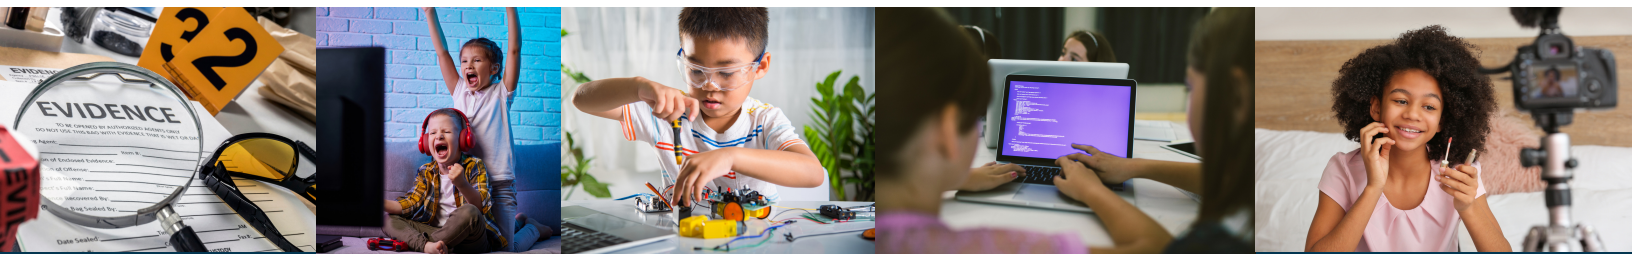

TECH ADVENTURES FOR HOTE 1K

HOTE 1K organizations will be able to choose a 2 workshop series from any of the Tech Adventure Themes listed below... **at no cost to them!**

Applications will be selected based on community impact, timeline for implementation & partnership potential.

Rolling Application Deadlines Per Academic Year:
Priority Application Deadline for Winter '24: 11/30/23
General Application Deadline for Winter '24: 12/21/23
